How to Play

Individual Play

Lotto cards are placed on the playing area.

Picture Ending Sound cards are spread on the playing area face up.

Each kiddo chooses an ending sound picture card to match the letter on the lotto board.

When all letters are covered the game is finished.

Teacher Tip: Before cutting out picture cards!

I set a whole card of pictures on each table, the kiddos that sit at the table must name all pictures.

They now rotate to another table and name all the pictures on the card at that table.

The rotation to continues until all picture cards have been named.
