Recognition & Matching Game
Dog and Cat

The Teacher Bin

Matching Directions

Materials

- 2-4 children
- 26- Dogs (upper case)
- 26- Cats (lower case)
- 9 Top side cards to copy on each letter card for security.

How to Play

Decide who starts the game. I have a table captain who usually starts.

- Deal out the **dog -Uppercase** cards face up to the kiddos
 - Lay **cat -Lowercase** cards face down on the center of the table
1. The captain chooses a card a card from the center of the table.
 2. If the child has the matching Upper case card (DOG)they get to put their match together and draw again.
 3. If the child does not have a match they hold up the card (cat card) and another child with the matching card may take it. It then becomes that person turn to draw a card.
 4. The game continues until a child has matched all their dogs (upper case letters) with cats (lower case letters)!
 5. I usually print off a set of cards for each table for the kids to work on!
